 - 90-Day AI Career Roadmap
 - AI Tools Directory
 - Keyboard Shortcuts
 - Best AI Websites
 - AI Glossary
 - Frequently Asked Questions
-

Deliverables

Is premium product me main ye sab banaunga:

- ☒ 200+ page professional eBook
- ☒ Canva-ready modern layout
- ☒ 1000+ high-quality prompts
- ☒ Worksheets & checklists
- ☒ Templates (emails, blogs, YouTube, social media)
- ☒ Bonus resource section
- ☒ Professional cover & branding
- ☒ Sell-ready PDF

Meri recommendation

Is project ko **4 premium eBooks ki series** banaiye, kyunki ek hi product me bahut zyada information dene se users overwhelm ho sakte hain.

1. **ChatGPT Mastery** (200 pages)

2. **YouTube 0–100K Blueprint** (180 pages)
3. **Launch Your Own eBook** (150 pages)
4. **AI Money Mastery** (200 pages)

Is tarah aap alag-alag products ₹299–₹999 me bhi bech sakte hain aur ek **premium bundle** ₹1499–₹2999 me launch kar sakte hain. Yeh strategy ek hi product par depend rehne se zyada scalable hogi.
